CAMBRIDGE BRANCH - APPLICATION for MEMBERSHIP

Thank you for your interest in joining the local Cambridge Branch of the Royal Aeronautical Society. We offer a number of types of membership. Local Branch membership is open to all. Ordinary members pay an annual subscription. A reduction is offered to Senior Citizens and those unwaged. Members of the Main Society are encouraged to affiliate themselves to their local branch. Their fees to the local branch are in effect paid by the main Society through a central grant.

We particularly welcome students of all ages. Fees are waived for students and members of the voluntary youth organisations.

We aim to run a varied lecture programme addressing all areas of aerospace. The subscription goes towards speakers' expenses, venue charges, outreach activities and refreshments on occasions. We do not make a profit. Our membership is varied and boasts a number of pilots, constructors, designers, operators, historians, military and people with a general interest in aeronautics and astronautics.

Casual visitors are welcome. We do ask for a small donation to cover costs.

We are mindful of the General Data Protection Regulations (GDPR) and will only use your personal details for administration of the Branch. Without your consent your details will be removed from our records and we will not contact you to promote Branch Lectures and other Events.
